DEDICATION

To John A. Teixeira, who has served the students and staff as a teacher guide, and advisor, we dedicate the 1958 edition of the Tom Tom. His breadth of knowledge, wittiness, helpfulness, and sincere interest in student life has made our years at Orestimba more enjoyable.

FOREWORD

Bud,
 So a swell guy who's
 seen little of this year.
 Lots of luck in the future.
 Don't let this school die away.

Of all the inanimate objects, of all men's crea-
 tions, books are the nearest to us, for they con-
 tain our very thought, our ambitions, our indig-
 nations, our illusions, our fidelity to truth, and our
 persistent leaning towards error.

—JOSEPH CONRAD

A friend
 Jackie

Dear Bud,
 Best of luck to
 a real swell kid.

PRINCIPAL'S MESSAGE

The eyes have it. We are told that 85% of our knowledge come through our eyes, and knowledge is power. Through reading we gain much of our knowledge and through reading we can profitably spend a great amount of time which otherwise would be wasted. Time wasted can never be regained.

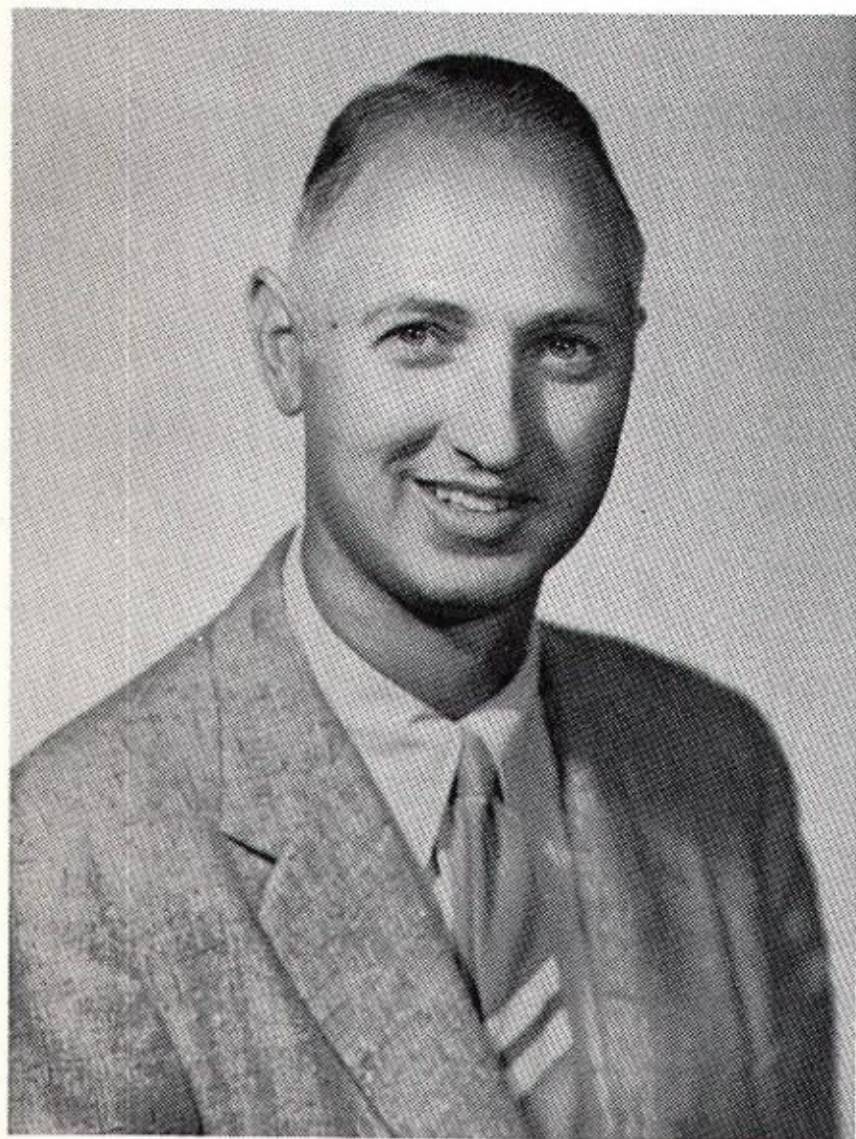

Now the question arises, what to read? The answer is simple. The newspaper, good magazines, and good books. The field should cover fiction, biography, travelogue, and other non-fiction works.

With the tremendous number of good books available today one need not want for something to do when leisure time presents itself and there is every indication that what we do with our leisure time will largely determine what our future will be.

Sincerely,

FACULTY

Our sincere thanks to you—our faculty—for all the things you have done for us. Not only do you spend eight hours a day broadening our knowledge and impressing upon us good citizenship, but you are always on hand to help us when we need you the most.

Teaching is a wonderful profession and we are all glad that you chose it, for you have helped us to realize our goals.

The purpose of the Girls' League is to develop high ideals of womanhood among the girls of the school, to encourage a greater spirit of helpfulness and friendship, and to promote the true spirit of democracy and loyalty to those things which are true and noble.

During the year the league entered a float in the Homecoming parade and sponsored Big-Little Sister and Heart Sister Parties.

The motto:
Learning to Do

Earning to Live
Living to Serve

reflects the spirit and

sincerity of the organization.

The main goal of the Future Farmers of America is to develop agricultural leadership, cooperation, and citizenship among boys studying vocational agriculture. It encourages the members in the development of their individual farming programs and helps them get established in agricultural careers.

The chapter has many annual activities throughout the year headlined by a Father-Son banquet, a spring stock show, tractor rodeo, Greenhand initiation, and numerous field trips. The chapter also operates a local farm.

Louis Coelho, state farmer, won the Golden Valley award, Caso award, and the outstanding senior award.

The purpose of this organization is to foster high standards of scholarship, service, and citizenship on the part of students.

The purpose of scholarship and service has been fulfilled this year by establishing a fund to purchase Vocational Guidance material for the library and to get the students to become acquainted with it.

In March a magazine sale was conducted to raise money for the spring educational trip to be held during May. All these projects had several committees, which fostered good citizenship.

The organization's annual dinner meeting was held in January with Karl Gortz, an exchange student from Austria now attending Patterson High School, as guest speaker.

The members consist of the top students in school, striving to live up to their motto, "Scholarship for Service."

The purposes of the Future Homemakers of America are to promote better family living, to help members understand the opportunities open to them in the field of home economics, and to understand our neighbors both at home and abroad. The club also provides training of each chapter for participation in home, school, and community life.

The members took part in many activities this year. They started off by entering a float in the Homecoming parade and conducting a welfare project. During the LeGrand football game they sold caramel apples which proved profitable. The girls made and sold Christmas earrings and lapel pins. The installation of officers was combined with the Christmas Tea. F.H.A. Week was held March 23-29.

BLOCK "O"

The Block "O" is one of Orestimba Union High School's largest organizations. It consists of athletes who have earned the cherished Block "O" by participating in Orestimba's many competitive sports.

The boys can be seen sporting their dark blue sweaters with the gold Block "O" prominently displayed.

The objectives of the group are to promote high moral ideals, a feeling of good sportsmanship, and high scholastic standards.

To foster a high degree of school spirit and to instill an appreciation of inter-scholastic athletics are other important purposes of the organization.

The organization sponsored a basketball game with the Harlam Road Kings. Joint volleyball tournaments and swimming meets were held with the G.A.A.

The group culminated an eventful year with a delicious barbecue.

BROWNS

The Sherman L. Brown Pre-Professional Students Club is now in its third year at Orestimba. The organization's primary function is the exploration of professions, particularly the teaching profession. The members prepare themselves for the leadership and development required of their chosen professions.

The highlight of the year was the Browns Variety Show in January. About half of the student body participated in the attraction, the proceeds of which will be used to finance an educational trip and to purchase material for the professional library.

Six Browns took part in a roundtable discussion on the purposes of education for the P.T.A.

The group held a joint meeting with the Patterson F.T.A. with a C.T.A. representative present to help advise and counsel those entering educational fields.

The members took an informative trip to a college campus to acquaint themselves with college life.

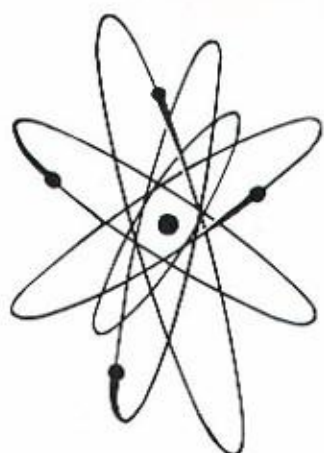

OFFICERS: MADELINE CABRAL, Secretary; JUDY GOETSCH, Parliamentarian; SARA STEVENS, Historian; LOIS STRINGHAM, Vice President; MARYLEE MOORE, Representative.

First row: Barbara Cabral, Georgette Carvalho, Linda Rosa, Sharon Francis, Helen Amaral. **Second row:** Margaret Martin, Karen Rapp, Barbara Craven, Mary Moe, Penny Fink, Jean Nunes.

SCIENCE

The Science Club is the newest organization on campus having been organized in January to promote an interest in science and mathematics and to furnish activities and field trips for its growing membership.

During the spring semester the club visited and observed the scientific nature of an observatory, a local creamery, Picnic Day at Davis, and other technical plants.

Most of the members entered exhibits in the Science Fair at the Modesto Junior College.

The club's biweekly meetings are open to any student interested in enhancing his knowledge and appreciation of the world of science and mathematics.

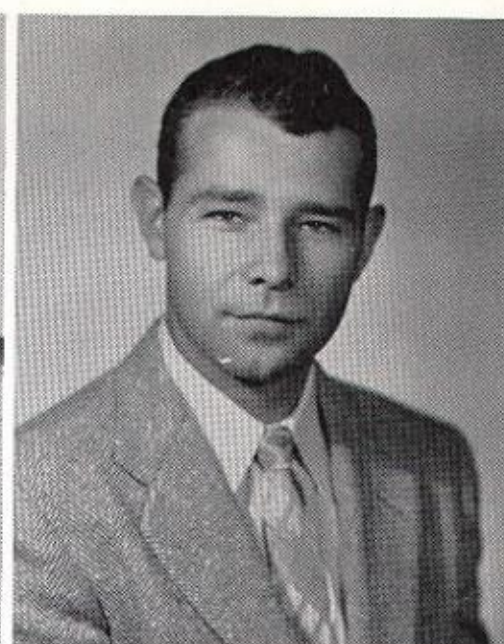

The club's ultimate intent is to motivate an increasing number of students toward careers in mathematics, sciences, and the related technologies.

Although new in nature, the club's student enthusiasm points to a flourishing and outstanding future.

RALLY COMMITTEE

ALMA MATER

Orestimba favors only
The purple and the gold,
While those of other high schools
Their colors dear may hold.
We will stand by our own high school
Her praises shall be told,
And we will lift our voices
For the purple and the gold.

Through the four long years of high school
Mid scenes we love so well
As mystic charms to knowledge
We vainly seek to spell
As we win our many victories
And our sportsmanship uphold
Then we will be remembered
As the purple and the gold.

World history students Carol Combs and Karen Collins point out the position of European nations.

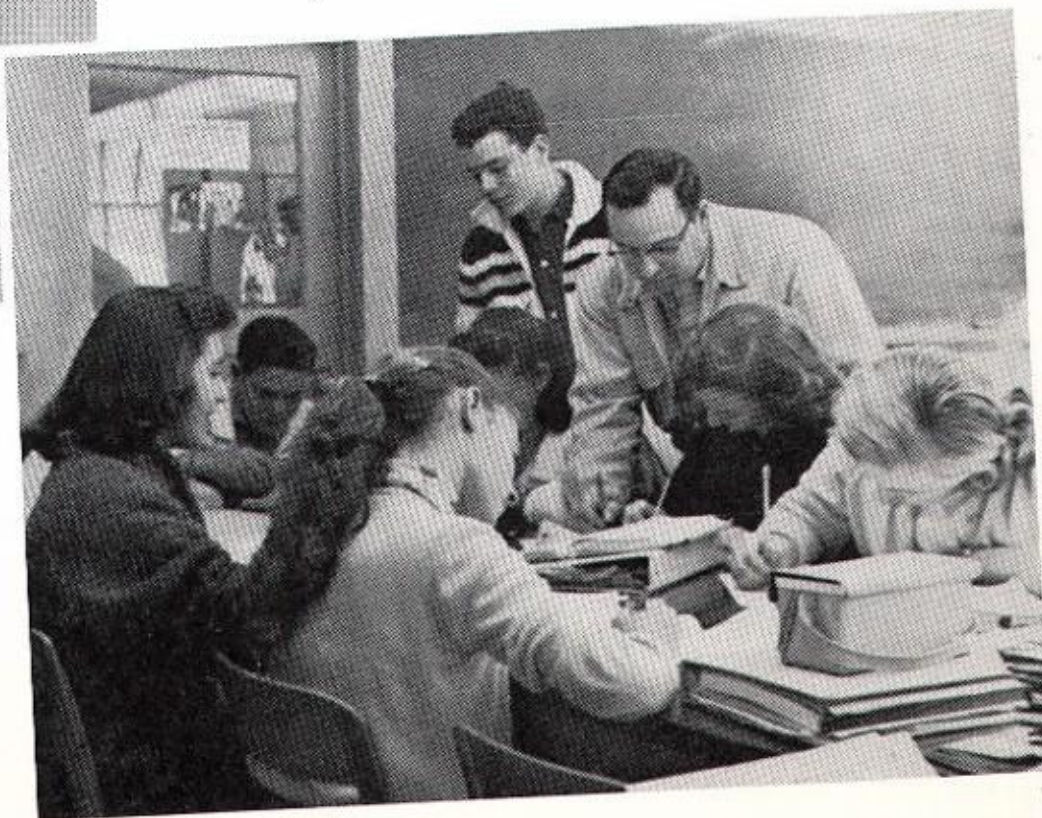

Johnnie Machado prepares a seed bed on the F.F.A. Farm.

Auto Shop students, Manuel Amorin, Herman Sparrow and Tony Correia, are determined to make Henry Ford's V-8 purr once again.

Home Economics students, Verlene Adams, Eleanor Oliveria, Annie Lema and Mary Sparrow are gay fudgemakers.

Algebra I students learn to solve Algebraic equations.

PROGRAMS

A dramatic scene in the Christmas play, starring Eddie Anderson, Jesse Cota, Mary Jo Botelho and Georgette Carvalho.

A serious operation is performed by Jeannie Nunes, Carol Combs and Linda Rosa.

Glenn Hayward and Freshie perform at one of our National Assemblies.

Believe it or not! These hillbillies are our Yell Leaders.

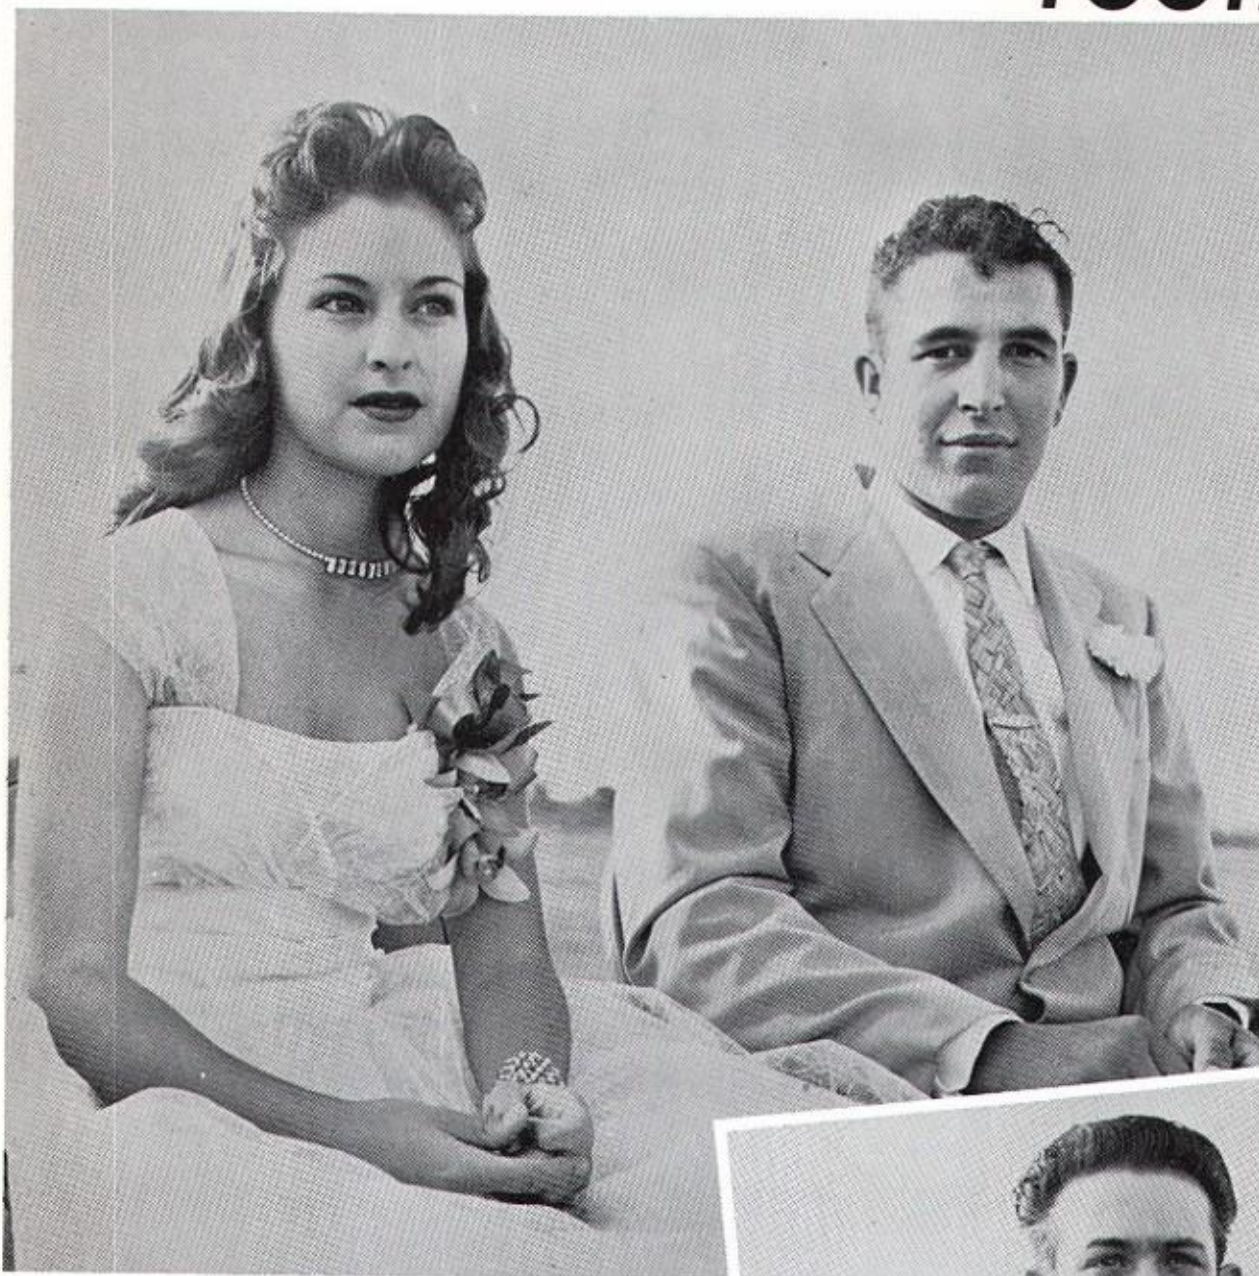

Pythons, Rattlesnakes, Copperheads, and Colonel Scoby perform in one of our National Assemblies.

HOMECOMING

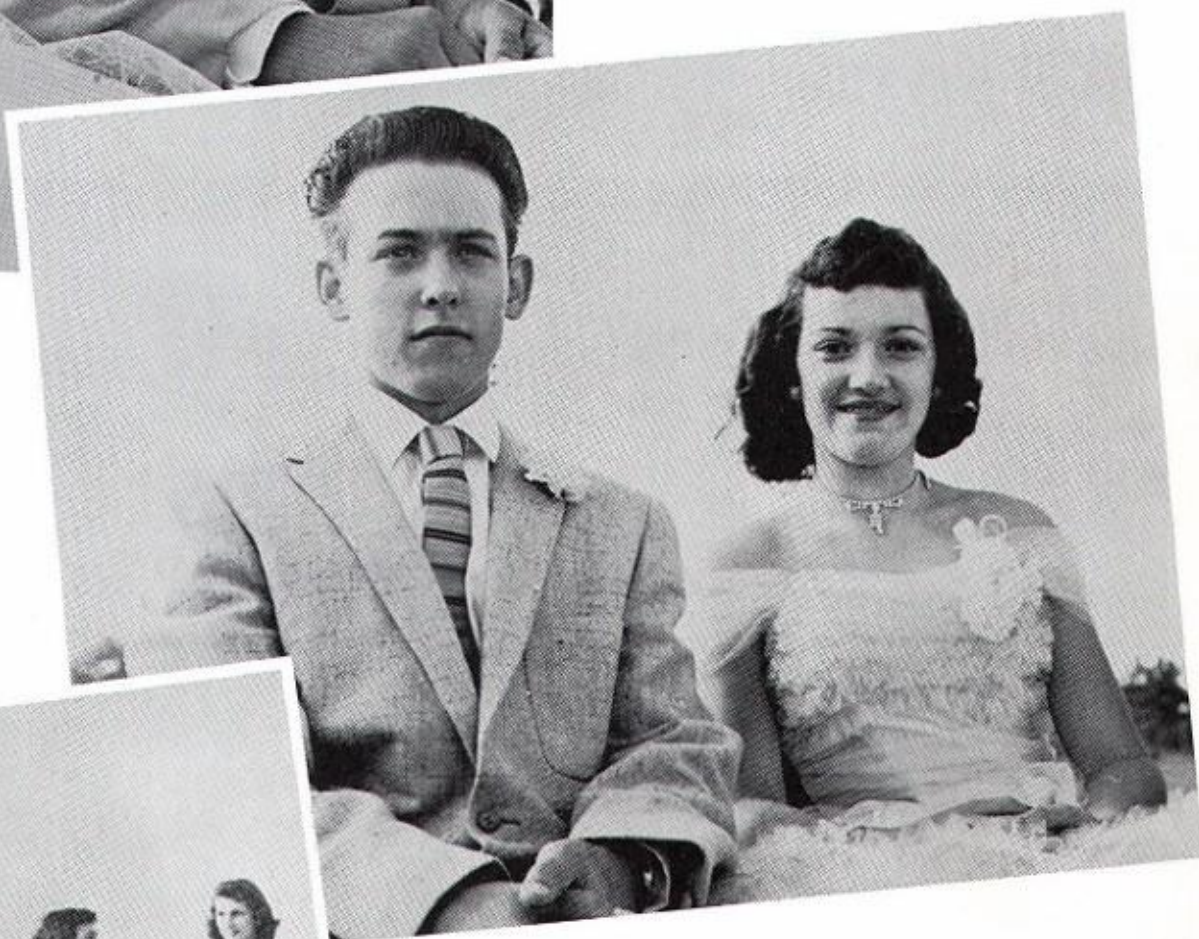

FOOTBALL FAIRYLAND

King and Queen

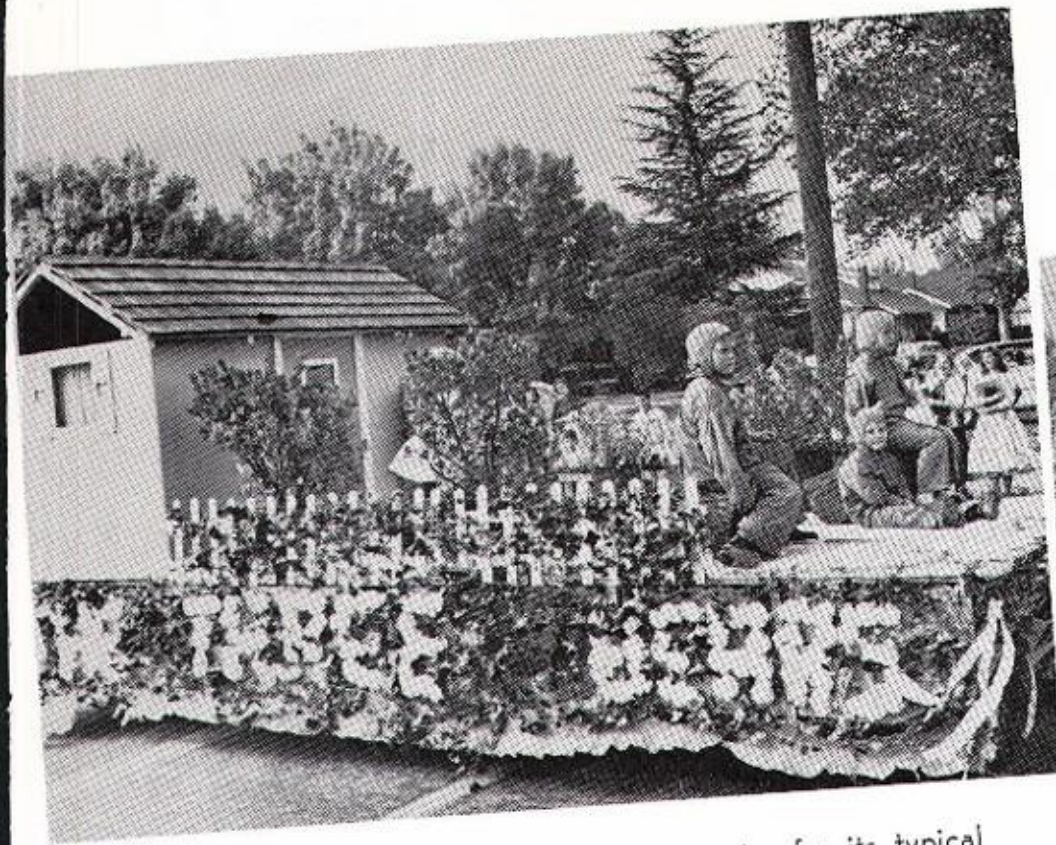

The royal couple, Betty Avila and Melvin Souza, reigned over the Football Fairyland activities. Queen Betty, senior beauty, was selected by the student body, and King Melvin, hefty tackle, was selected by the Varsity squad.

Junior Varsity Prince and Princess, Clarence Bello and Bernice Lemos.

The Royal Court: Kay Dexter, Jolene Bettencourt, Rosemary Brazil, Queen Betty, King Melvin, Prince Clarence, Princess Bernice, Arlene Correia, Sondra Huckaby.

SCENES

Sophomore float, Three Bears, won first prize for its typical fairyland scene.

The Senior float is adorned by the royal court. The most beautiful and handsome of Orestimba's castle sit on the thrones.

Rally, following parade, was not only a big success but also led to a great victory over the Gustine Redskins that evening.

The Gustine band helps make the parade a success.

Mrs. Lorraine Nunes, football mother, poses as a representative of all football mothers.

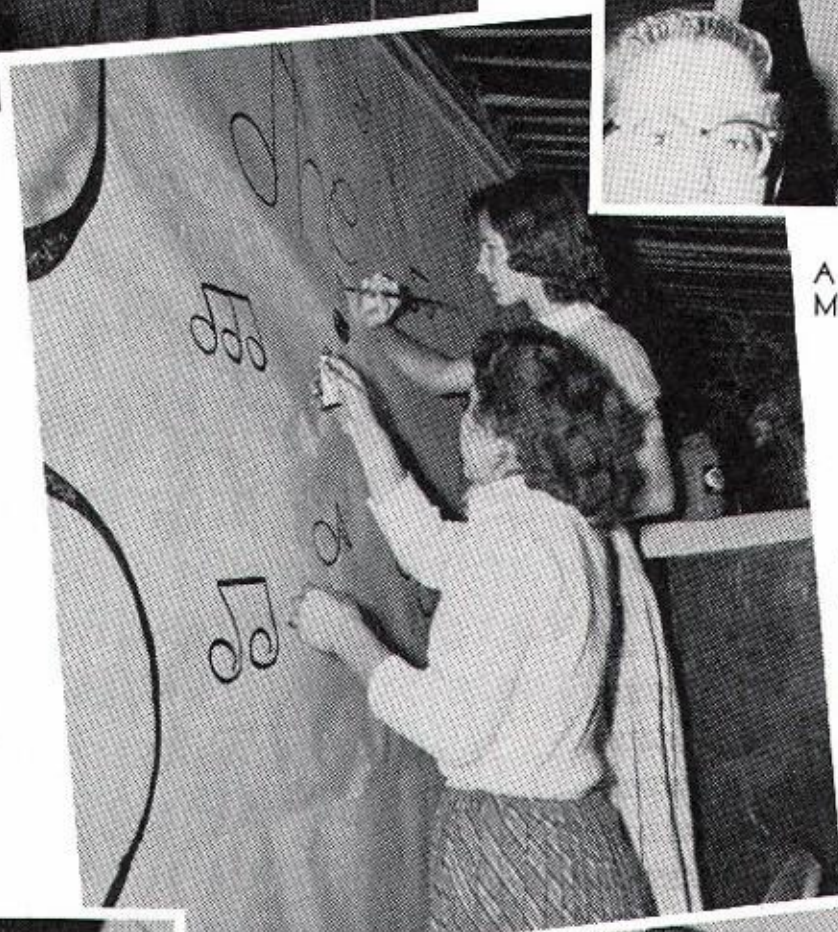

DANCES

These boys are real fine and all the kids are crazy about them.

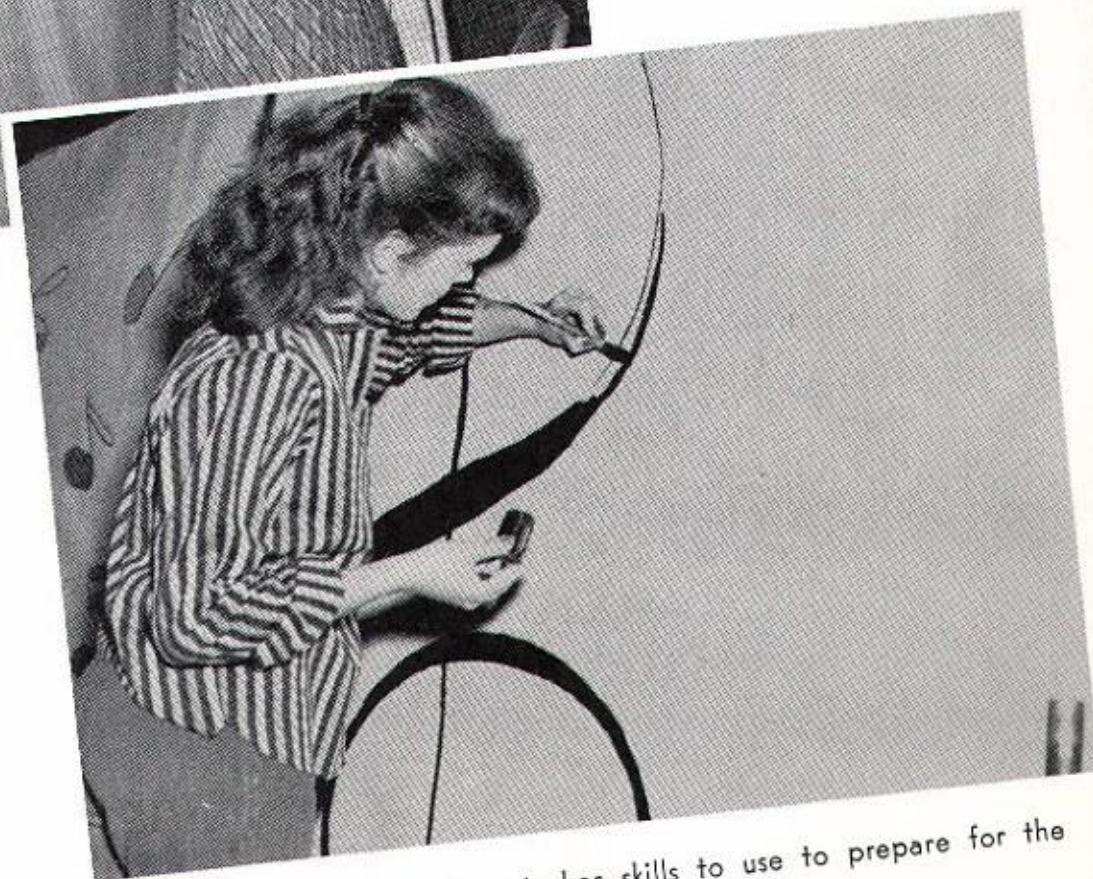

A tedious job but a job well done by Madeline Cabral.

Janet Woodruff and Carmine Grischott prepare for the arrival of a special band, The Blue Notes.

Football boys, Henry Robledo and Ron Silva sit this one out to chat with the girls, Aileen Cabral and Geraldine Mattos.

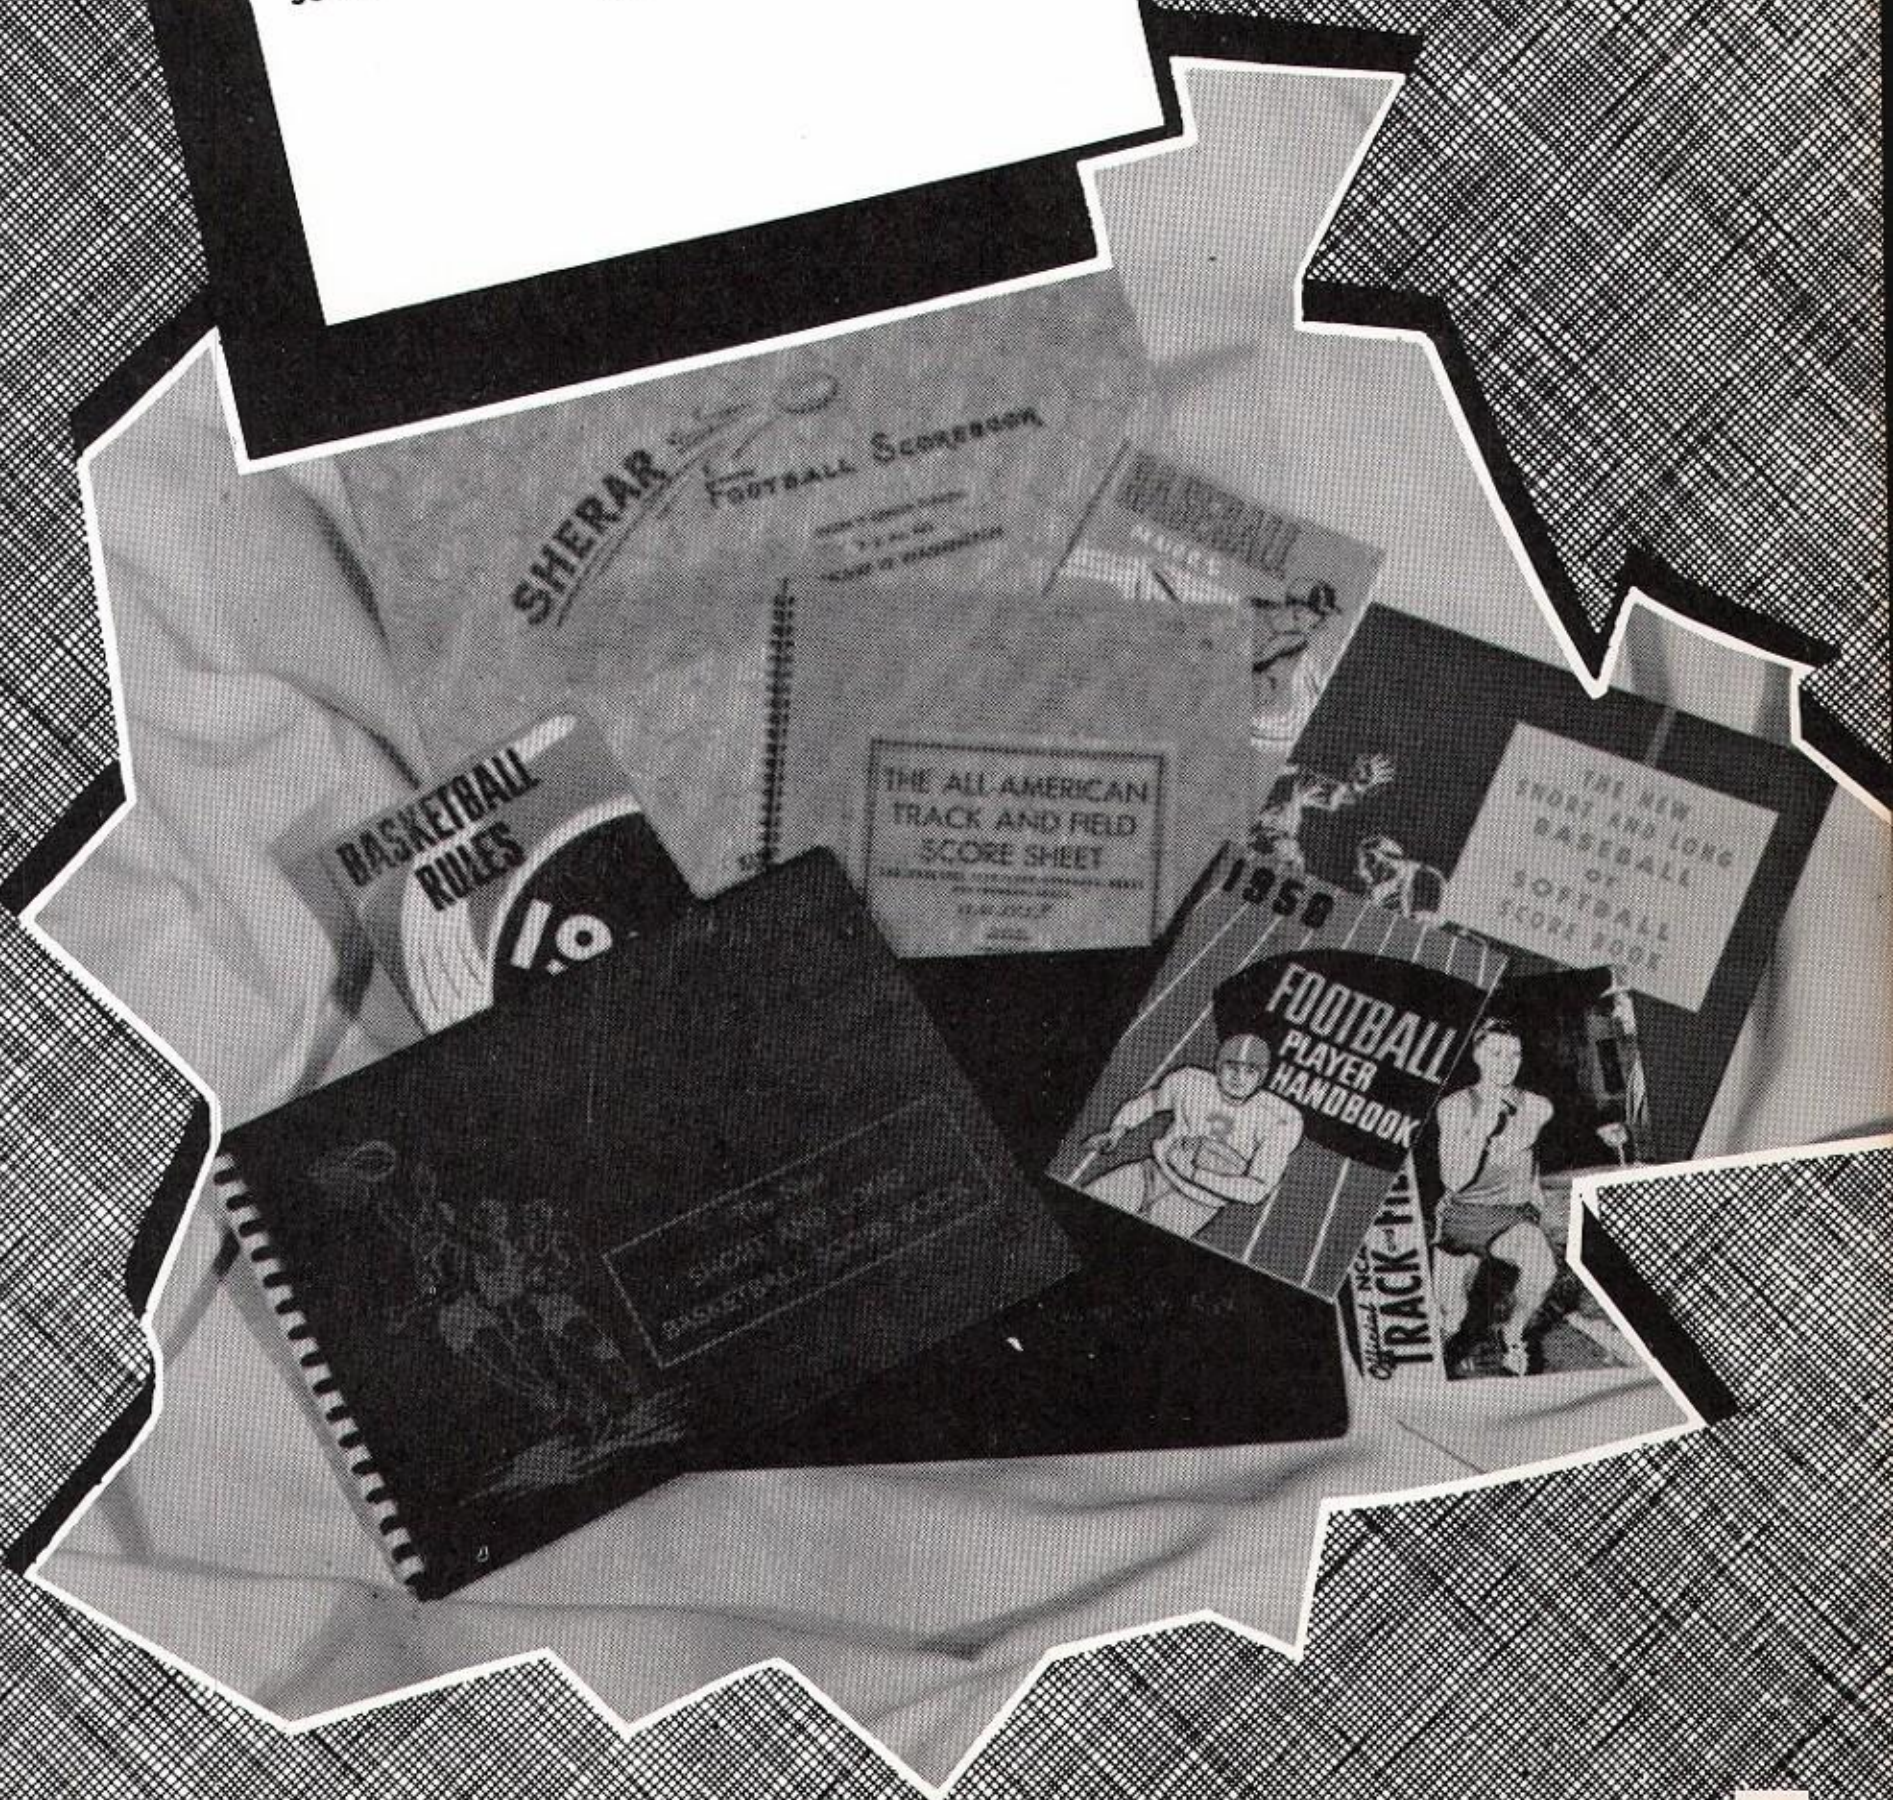

Cute Adella Dobzensky puts her skills to use to prepare for the homecoming decorations.

SPORTS

I have gathered a lot of material
in the course of 40 years of coaching of
football, baseball and track, but I never
seem to get it written into a book.

Plagued by frequent injuries, illnesses, and heartaches, the 1957 Warrior eleven completed its first season in the newly organized Southern League with a couple of victories and a multitude of experiences.

The shining star of the season was the stalwart play of Melvin Souza, hard-hitting guard and inspirational defensive standout. Souza was named to the All-Southern League, All-Central California, and the third team All-Northern California Squads. These honors were indeed a tribute to an outstanding athlete playing on a rather green team.

The offensive highlights include Dennis Jensen's 69-yard touchdown gallop in the Homecoming Game with Gustine and Dave Treat's 63-yard broken field run in the Denair fracas a few minutes prior to his season halting injury.

Coach Ken Brink's forward wall held the opponents to a net total of 738 yards from rushing, but the pass defense gave way to 933 yards. Orestimba gained a net of 1325 yards from scrimmage and 290 through the air.

Tom Matoza and Melvin Souza were named outstanding back and lineman by the Newman Quarterback Club. Dick Nunes, a three-year letterman, was elected team captain by the gridders.

BASKETBALL

The Warriors this season played the part of the "spoilers," defeating arch-rival Gustine and Co-Champion Hughson at crucial points in league action.

The team loses some good men, Tom Matoza, team captain and playmaker; Tony Correia, easily the best shot in the league; Ron Silva, and 6-4 center, Tim Hansen. But by the same token, returning next year will be the nucleus of a good team.

Cope, Massey, Luna, Robledo, Soares, and Simmons—sound like a winner for Newman.

Johnnie Cope was named to the All-Southern League five. Henry Robledo and Matoza were listed as honorable mention.

J.V. BASKETBALL

For a while it looked as if the Braves were going to tear up the league. They ground out five straight league wins starting with a 51-49 triumph over Gustine in their Southern League debut and ending with a 47-42 loss to Denair. They lost seven of the next wins and wound up in a tie for fourth with a 7-7 record.

Showing promise for the Varsity squad in years to come are sophomores Dennis Jensen, Allan Post, and Corky Kroeker. A couple of freshmen, Bill Nunes and Edward Parker, also look promising. Of course, a cinch starter on next year's varsity will be Ron Simons, season's high scorer, with a 12-point average.

First row: Coach McMahon, Gary Morris, Bill Nunes, Frank Borges, Bill Terra. Second row: Edward Anderson, Alan Post, Corky Kroeker, Dennis Jensen, Ronnie Simons, Ken Skaggs, Manuel Berberia.
